Fight With Girl-Friend Blamed by Gun-Slinger

SAN DIEGO (CNA) — A man who threatened two sheriff's deputies with a gun following a high-speed chase is in state prison for up-to-10 years.

Superior Court Judge Robert Conyers, noting that Theron George Pendley, 30, of San Diego, had endangered the lives of himself, the officers and others, ordered prison authorities to give him maximum psychiatric aid.

On Nov. 23 at 2 a.m. Deputies Andrew Nossal and Ellworth Rex responded to a call from Cuzz Inn, Jamacha Rd., Spring Valley where a man was reported firing a gun. The front tires of the patrol car were slashed while they were in the inn. Tracing Pendley to his girl friend's house they spotted him in a car. He was chased at high speed to Kempf and Golden, L. G. where he refused to get out of the car and cowed the officers with a .45 cal. pistol.

Nossal fired six shots into the side of the car before it sped away. When the car stopped again, Rex fired a warning shot through the back window then ran to the front door and opened it. Each man had his pistol pointed at the other's head. Nossal grabbed the barrel of Pendley's pistol and subdued the man.

Pendley, a carpenter, said that he had had an argument with his girl friend.

Ten Roads To 'Riches'

The spring season brings out the flowers. It also brings out the "fast buck" artists who have been hibernating all winter long.

The Better Business Bureau, aware that the season is upon us, sent a list of the 10 most prevalent schemes that are being operated today.

The first two schemes create more complaints than the other eight combined. A list of schemes, together with a brief modus operandi (as the police would say it) follows:

1) Bait and Switch—Brand-name product, or service, offered at ridiculously low prices. Salesman must "unsell" you on the bait and switch you to an off-brand over-priced product.

2) Home Improvement—Itinerant repairmen or fast-talking door-to-door salesmen offer phony bargains, tricky financing, misrepresentation, and exaggeration. Gutter, roof, or chimney experts, termite control men and tree surgeons are the guises some of the tricksters use.

3) Chain Referral—Saddles consumer with debts on over-priced products by old-fashion chain-letter gimmick. Promises big commission for every friend or neighbor who makes a purchase as a result of the original purchase.

4) Charity Rackets—"Boiler rooms", from where telephone operators call a whole town, are usually headquarters for questionable fund-raising events. More than $100 million a year is syphoned off by swindlers whose only interest is his commission on his sale to you.

5) Phony Credit Certificates—This old "something-for-nothing" racket still works. If you get a phony $50 credit check good on an $89.50 sewing machine, chances are you'll be buying a sewing machine worth $39.50.

6) Business Opportunities—Usually dished up as an an opportunity to get big profits at no risk with little work. We always wanted one of these jobs.

7) Debt Consolidation—You get a chance to reduce your monthly payments by as much as 50% only to find that you've also increased your indebtedness up to 100%.

8) Victimizing the Aged—All 10 schemes listed here are used because older people are natural or willing targets for those who prey on loneliness, fears and infirmities.

9) Health Quackery—Victims are often in the area of arthritis, cancer, nutrition, and health devices.

10) Work At Home Schemes—All types of offers are made but never an offer of regular, salaried employment. If these ingredients are missing, check your Better Business Bureau before you accept the work.

What's In A Name

Earlier this year the San Diego Realty Board complained that many newspaper people didn't know what a "Realtor" was and, as a result, many people were referred to as realtors when they might be salesmen who handle real estate.

For years we erroneously believed that the term was meaningless, somewhat like the term "honorable" in front of many a judge's name.

Not so, wailed the Realty Board. The term "realtor" is a registered trade mark.

The term, say they, is not a synonym for real estate agent. The term denotes high business competence and a high standard of business conduct. Every "realtor" pledges himself to observe and abide by the "Code of Ethics" promulgated by the National Association and adopted by his own board, to govern real estate practices.

The national association claims exclusive rights to the use of this term and it is neither a part of the common language nor just an ordinary word, they say.

Out of 150,000 real estate licensees in the state, only 17,000 are Realtors. Only broker members, as distinguished from salesmen and affiliate members of member boards, may use the term. It cannot be used as part of the name, corporate or otherwise, of any firm, corporation or partnership although it may be used following the name of a firm, such as Jones and Smith, Realtors.

The term may not be applied to any building or merchandise; it should always be capitalized in order to manifest its distinctive character, our informant declares.

Thats the story of why you can't call just any guy who sells real estate a Realtor and we are glad to pass the information along.

Most Users' Water Bills Raised 25%

Here comes another leak in your pocketbook.

The sad facts of economic life at the Helix Irrigation District is the culprit.

Directors of the District voted last week on Wednesday to raise water rates of its 150,000 users as soon as possible. More than likely the water used in June and July will reflect the higher rate.

Directors said the increase would be as much as 25 per cent with the heaviest increase on lighter users. Rate increases will range from a 25.6 per cent for those whose bimonthly bills total approximately $20, to about 2 per cent for those whose bills are around $1,000. The average water bill will be $13.80 every two months, it was predicted. Hardest hit will be $5-to-$35 bimonthly users who will get the highest percentage of boost.

Under the new water rate program the following before and after rates will apply:

$ 5-$ 6.06
$10-$11.25
$15-$16.45
$20-$25.12
$25-$30.50 and
$1,000-$1,005.40

The increase will provide $347,892 more for the District each year.

Harry Griffen, board chairman, said the board will take a look at the tax rate before considering the budget prior to July 1. Griffen said he would prefer to see a reserve built up for expansion needs than to have to raise the rates periodically.

William Jennings, District counsel, told the board reserves could be built from water rates but not from money raised by taxes.

Griffen said a $1 million pipeline project is being planned and funds from the newly increased might be used for that and other future projects.

SAFETY AWARD — The Lemon Grove Fire Department has been given an award for safety from the State Compensation Insurance Fund. Pictured are safety representative Bill Sullivan (left), from the State CIF, and Lemon Grove Fire Chief H. L. Hensley. The fire department was cited for its 82,000 hours of accident-free operation. The last man-hour lost due to accidental injury was in July, 1964. This figure includes time spent on fires, in the station house, etc. Sullivan said it was a remarkable feat for a fire department to compile such an impressive record, considering the risks involved.

Dr. Sam Smith Elected As L.G. CoC President

Dr. Sam Smith, physician-surgeon, a member of the Lemon Grove Medical Group, will be installed as president of the L. G. Chamber of Commerce April 16 at a dinner-dance at the L. G. Bowlero.

He was elected by the chamber directors at the regular board meeting Tuesday.

Robert Browne was elected vice president. Louise Warren was elected secretary, and Robert Dryden, treasurer.

All will serve for one year beginning with the installation.

The dinner-dance is open to the public. The cost is $4 a person including a charcoal broiled top sirloin steak dinner, tax, tip, and dancing.

A no-host cocktail hour will be at 6:30 p.m. Dinner is at 7:30. Guy Ryan, assistant managing editor and Community Relations Director for the San Diego Tribune will give a humorous talk "A Funny Thing Happened to Me on the Way to the Newspaper." Henry Boney, district supervisor, will briefly discuss the relationship that exists between the community and the Board of Supervisors. Max Goodwin, local publisher, will be master of ceremonies.

Dr. Smith, in accepting the office of the presidency, said that a greater problem exists here because of the lack of identity that would have come by way of incorporation. "It is a dead issue now," he said, "so we've got to organize ourselfs as a chamber and give the community some sort of identity that would have been comparatively simple as an incorporated city."

Tickets to the chamber installation are available at the chamber office at 3562 Grove St. or by calling 469-9621.

Rainfall Total Nears 19 Inches

A Palm Sunday drizzle added .04 on an inch of rain to the total recorded by the weather station at the local fire house.

The rain year ends July 1st. Last year the total was 10.38.

Facts About Mohole Told To Men's Club

Two representatives of Brown and Root, Inc. of Houston, Tex., and one from the National Science Foundation, showed a film and discussed the Mohole Project at last Friday's Lemon Grove Men's Club meeting.

Captain D. A. Scherer, USN (Ret.), and Al Gladfelter, both of Brown and Root, a Texas construction firm, and Monty Montgomery of National Science Foundation were the guests of the Club, which meets weekly at Michael's Restaurant at noon.

The firm, "Blueprint For Discovery", showed the work done on phase one of the Mohole Project and the way it was brought about. Phase one was the operation completed several years ago off the lower California coast.

Scherer is staff assistant to the Platform Construction Supervisor at National Steel, where the platform and drilling is being built. Brown and Root will be doing the drilling for NSF, which is seeking to learn more about the earth beneath the oceans.

"The drilling will take place following the construction of the platform ship. It will take from two to three years to complete drilling as the NSF hopes to hit down to 35,000 feet in the earth's interior," Scherer said.

"By drilling this deep, we hope to find out more about the magnetic, elastic and physical properties of the earth. By doing this, we can contribute knowledge to the space program," Montgomery said.

The drilling will take place in the Pacific Ocean, somewhere off the coast of Hawaii.

There will be no program this week because of Good Friday. April 15th's speaker will be Claire Burgener, Republican candidate for the 38th Senatorial District.

Van Deerlin Blasts Liberty Amendment

Congressman Lionel Van Deerlin (D-S.D.) will not be present today at a rally in San Diego supporting the "Liberty Amendment." He also has declined membership in the Liberty Amendment Committee of San Diego County.

In a letter to the committee chairman, Brig. Gen. W. C. Lemly, USMC, Ret., Van Deerlin explained his reasons:

"Like any human being I share your distaste for taxes. As a responsible public official, however — pledged to uphold this Nation's far-flung commitments in a troubled world—I cannot countenance plans for drying up our major tax source.

"Frankly, General, I am also disturbed by your organization's links to fringe-area activist groups. I note that your national chairman and principal guest at the upcoming rally—Mr. Willis E. Stone—is listed on the speakers' bureau of the John Birch Society.

"I strongly defend the precious American right of you and your associates to voice your dissent from Government policies publicly, in San Diego or anywhere else also. But I also claim my own American right to dissent from the dissenters.

"I shall watch with interest the position taken by other candidates in the 37th Congressional District."

A 19-year old Lemon Grove youth was injured in a one-car accident March 28 after damaging part of the chain-link fence of Bancroft Elementary School. He was taken to Grossmont Hospital in the Spring Valley ambulance.

His car jumped a curb near the school and plowed into the fence. Then young Wood continued north on Bancroft Dr., and soon went over a bank, where the car came to rest. Mr. and Mrs. Layne

SV Couple Has 50th Anniversary

More than 200 guests attended an "open house" Sunday at the Sweetwater Lodge Mobile Home park clubhouse to honor Mr. and Mrs. (Fisher and Evelyn) Layne, whose 50th wedding anniversary will be Saturday. They live in a mobile home at Space 15.

They were married in Center, Mo., on April 9, 1916. Fisher Layne had been employed as a clerk in a Center grocery.

At that time Evelyn's folks were cattle raisers not too far from Center. They did their grocery purchasing in the store where Fisher worked and that was how Fisher and Evelyn met. He asked her for a date and they went together for about a year before they were married.

Soon after Mr. and Mrs. Fisher Layne were married, he purchased his own grocery store which they ran until 1924 when they decided to move to California because of the poor health of Mrs. Layne's mother. They moved into Spring Valley and the Laynes rented a house on the property where now stands the Chamber of Commerce. Layne went to work in a La Mesa grocery and his father-in-law found work with loland developers.

As grocery operation was in Fisher Layne's blood, he soon bought another store of his own. It was located where now stands the Drew Motor Co., on La Mesa Blvd. (The street was then known as Lookout Ave.). But during the depression, Fisher decided to sell out and go to work for someone else. They moved to Sweetwater Lodge in Sepetember, 1960. The Layne have one daughter, Mrs. Mildred McDowell of El Cajon, and five grandchildren.

ENGAGED — Mrs. Frieda Brown of 3242 Buena Vista Ave., Lemon Grove, has announced the engagement of her daughter, Carole, to Michael James Foote, son of Mr. and Mrs. H. M. Foote of 2890 Cypress Ave., Lemon Grove. Both Miss Brown and her fiance graduated from Mount Miguel High School. She was school Commissioner of Concessions, Associated Student Body secretary, Homecoming Princess, Girl of the Semester, an Honor Aisle member and was active on the school speech team. She also was selected La Mesa Junior Miss and took second place in the Elks Youth Leadership contest. Mike was Commissioner of Athletics, president of the Key Club and Mr. Senior Class. He was very active in sports, receiving the Outstanding Sportsmanship award and Most Valuable Player on the football team. Carole will be a member of the Collegian Ensemble from Skyline Wesleyan Methodist Church that will tour South America this summer. She presently attends San Diego State and will transfer to Oregon State in the fall where Mike also attends. The wedding date has not been set.

Fare Raise Set For Bus Line

The California Public Utilities Commission reported that it has authorized San Diego Economy Line a 5-cent increase in its adult fare within and between Zones 1 and 2. A 5-cent increase in school and children's fares for rides between Zones 1 and 2 was also approved.

The base adult fare of 20 cents and the 10-cent base for school and children's fares remain unchanged.

The Commission said 5 day's notice must be given to the public before the higher fares can be placed in effect.

A PUC staff engineer estimated the bus line would lose about $2,400 for the test year ending next March 31 under the present fare schedule. Under the authorized fares, the earnings for the same period should amount to some $300, he estimated.

San Diego Economy Line provides bus service from San Diego to Lemon Grove, Casa de Oro and Homeland.

Pictured are Bob Breitbard (left), president of San Diego Hockey Club, and Gordon Hedberg, a Lemon Grove resident who helped in the selection of "The Gulls." Sandy will be the club's mascot. Helix Tops Matadors In Lions' Semi-Final

Mount Miguel's Matadors bowed out of the 16th annual Lions Baseball Tournament Tuesday in San Diego by losing to Helix's Highlanders, 9-5, in one of two Unlimited Division semi-final contest.

The Matadors had topped Sweetwater's Red Devils, 4-2, in the quarter finals and had beaten Kearny High, 3-2, in a first-round game.

Monte Vista, an entry in the Limited Division and twice defending champion, was bumped out of that bracket when St. Augustine took a 1-0 decision in a quarter-final game.

Helix scored in the top of the first and Mount Miguel put two runners across the plate in the bottom of the same inning to set the stage for the rest of the game.

The Highlanders tallied six times in the second inning to make it 7-2 but Miguel scored twice again in the same inning to cut the Scots' lead to 7-4.

Helix added two more in the top of the third for a 9-4 lead. Allen Stout, who relieved Helix starter Mark Wiley in the second, put the shackles on the Matador bats the rest of the way, giving up only one run in the sixth.

Sophomore Bruce Johnson pitched the entire game for the Matadors, absorbing the loss.

Miguel out-hit Helix, statistically, 7-6.

Earlier in the day, the Matadors' senior righthander Steve Harkins was hurling a four hitter against the Sweetwater nine.

Miguel scored three times in the top of the third and added another in the sixth. Harkins was reached for single runs in the third and six frames.

Monte Vista banged out eight hits but couldn't find home plate as St. Augustine's Rich Valeri somehow kept the wolf away from the door.

The Saints scored what proved to be the winning run in the first inning when Dave Gonzalez walked, moved to second on a passed ball and scored on a single by first-baseman Tom Spence.

Bob Forrester took the pitching loss for the Monarchs, giving up only two hits.

Monte Vista won its first round game by ripping San Miguel High, 14-2, behind the six-hit pitching of Ron Tesch and an 18-hit attack by Monte Vista batsmen.

Miguel and Monte Vista will tangle with each other Tuesday at 3 p.m. on the Monarch diamond in a resumption of the Grossmont League baseball wars.

Helix played Chula Vista Wednesday afternoon for the Lions' title.

La Mesa Hoop Team Takes Tourney Title

The La Mesa Kiwanis youth basketball team captured the Twenty-Nine Palms Invitational Tournament last weekend in Twenty-Nine Palms, Calif.

The La Mesans, competing in the eighth grade and under division, trounced Fresno, Calif., 47-15, in the championship game to emerge as the top team among boys basketball teams in the Southwestern United States.

La Mesa started out by winning its first round game against Los Angeles Saturday morning.

The Kiwanis-sponsored club ripped the Angelenos, 53-16, as Kyle Hypes poured 19 points through the hoop. Bill Walton added 10.

Saturday night, the La Mesans nipped Calexico, 51-47.

The quick Calexicans shot out in front, 22-8, after the end of the first period and led 30-14 at the halfway mark.

Calexico still maintained a large lead after the third period, being on top, 39-22.

However, Spring Valley's Gary Nobienski caught fire for the La Mesans and tossed in three goals and a free throw to lead the club to an amazing comeback, putting them in the finals against Fresno.

Hypes was tops in points with 19 and Walton second with 13.

La Mesa was never headed in championship contest. Fresno was behind, 31-12, at halftime and managed only three points the rest of the game while La Mesa scored 16 times. Hypes led the scoring wih 15 points. Nobienski had 12.

San Diego Relays Ahead For High School Spikers

Both Mount Miguel and Monte Vista will be entered in the 7th annual San Diego Relays Saturday at Balboa Stadium.

The annual track meet begins at 12 noon and will finish somewhere around 5 p.m.

Not only will high school athletes be competing, but junior colleges, junior highs and women's teams will also compete.

Last Friday, in Grossmont League meets, Miguel smashed El Capitan, 113½-17½, and Monte Vista dropped one to defending CIF titlist Granite Hills, 79½-51½.

The Matadors' Basil Machado won three events to pace the Matadors. Machado took the 120 highs in :15.1 and the 180 lows in :20.5. He also won the triple jump at 41-1.

Pat Ela leaped 22-6 in the long jump to post one of the meet's better marks.

Other Matador winners were Tony Leone in the 100 (:10.2), Frank Gilbert in the 220 (:23.3), John Rivera in the 440 (:53.2), Terry Torgerson in the 880 (2:01.2), Bill Hamill in the two-mile (10:11.2), Bob Brown in the high jump (6-2), Ken Patterson in the shot put (52-5) and Dave Freeman in the discus (147-0).

Monte Vista's best effort was by junior Danny Ungricht, who ran a 1:57.6 880-yard run.

Dave Matheny took the mile in 4:31.5 and Rodney Stevens won the two-mile in 10:11.2.

Jerry Neirengarten took the 120 highs in :15.6 and won the long jump at 21-6½.

Rick Geer set a new school record in the discus with a 158-7 effort.

MM Students Recognized

Pat Cluchey and Marti Haase of Mount Miguel High School were recognized recently for their participation in a contest held by the Lutheran Association for retarded children.

The contest, involving only Grossmont District high school students, was held to obtain a symbol for The Home of Guiding Hands, a home for retarded children sponsored by the Lutheran Association.

From numerous entries, three designs were selectd, and the winning entry was chosen from those. At the annual dinner meeting of the Home of Guiding Hands, B. Coleman, a spohomore at El Capitan, was announced as the winner.

RONALD REAGAN

Republican gubernatorial candidate Ronald Reagan charged that California is being made a prize in a political power play involving the Johnson and Kennedy factions of the Democratic Party.

Reagan said the entry of Chief of Protocol Lloyd Hand into the Democratic race for Lieutenant Governor appeared to be a bid by "the Johnson faction of the Democratic Party to take control of the state."

"We are the number one state and therefore the number one prize in the political power play involving the Johnson and Kennedy factions of the Democratic Party," Reagan said.

Good service is a frame of mind

Courtesy and politeness are not old fashioned as far as we're concerned. Neither is good service. Giving good gas and electric service makes sense. It makes friends — it makes us feel good — and it saves you money.

And we think good service is this simple — employees who care — efficient management — modern equipment ... and performance around the clock. At SDG&E, our first concern is always what we can do for you.

We're proud of our people ... they take pride in their work. It may be a frame of mind that's a bit old fashioned — but most of our customers still seem to like it.

SDG&E SAN DIEGO GAS & ELECTRIC COMPANY

Lost the address of a friend who lives out of town? Here's a helpful tip: Most telephone business offices stock a "library" of books from other parts of the United States. Come in any time during our office hours and look things up. Who knows? You may renew a *lot* of old acquaintances!

• • •

On long distance calls outside your own numbering plan area it takes an Area Code to speed your call to the right part of the country. Area Codes for many places are listed in the front pages of your phone book. Add Area Codes to your personal out-of-town number list and you'll always have the complete "telephone address" handy.

Are you planning to move to some other location in the United States?

If you know the address of your future home, and if it is located in an exchange served by the Bell System, your local Telephone Business Office will arrange the transfer of your telephone service. In addition you may also arrange to have calls to your old number here referred to the new City and State.

Service Representatives at the Grossmont Center Telephone Business Office, like Shari Redka above, are trained to handle your requests and always stand ready to help you get the most from your service.

Seaman Apprentice Patrick A. Morrison, USN, son of Mr. and Mrs. Percy A. Morrison of 1519 Enfield St., Spring Valley, recently returned to Concord, Calif. aboard the ammunition ship USS Rainier, after eight months in the Vietnam combat zone with the Seventh Fleet.

Rainier operated off the Vietnam coast, rearming combatant units of the Seventh Fleet. In 143 underway rearmings, Rainier transferred about 10,000 tons of ammunition and many additional tons of fleet freight and mail.

Most of the ships duty was the essential, steady and unglamorous task of delivering massive quantities of bombs, rockets and ammunition to all types of combatant ships, but these operations were broken by visits to the Philippines, Hong King and Taiwan.

For his service in Vietnam, he was awarded the Vietnam Service Medal.

INTERVIEW — SP4 Leon Hawkins reviews an incoming soldier's records during a preliminary duty assignment interview. (U.S. Army Photo by SP4 Jerry Swinerton)

LG Service Man Is Well-Known Among Army Troops In Korea

U. S. Army SP4 Leon Hawkins of Lemon Grove is one of the best known men among the U. S. troops in Korea.

Every enlisted man who enters Korea becomes acquainted with Hawkins. A personnel management specialist with the enlisted men's section of the 8th U. S. Army adjutant general's office, Hawkins is in charge of the preliminary duty assignments for all enlisted men who come to Korea from the U. S.

"Since most troops do not come to Korea by ship, I must meet all incoming air flights at Kimpo Air Base. Sometimes there are as many as three planes a day. I have processed s many as 300 troops in a single day," says Hawkins.

Hawkins is stationed at 8th U. S. Army headquarters in Seoul, which is about 20 miles from Kimpo. Each morning he drives out to the air base and meets the debarking troops. He collects their personal history records and then helps board the soldiers on buses to the 177th Replacement Company for overnight lodging. The replacement company is located in Ascom, some five miles from Kimpo.

"At the 177tn, I inspect the new troops' records. I check their Military Occupation Specialty"—each soldier is accorded a specialty after proper training—"I review the Army Classification Battery test, scores that they obtained in Basic Training and also what past duties they have had. I am familiar with all the personal needs in each command throughout 3th Army, so after a thorough consideration of each man I make a preliminary duty assignment."

To illustrate how thorough the Army is on such matters, Hawkins' assignments are reviewed by a sergeant, two captains, a major and a colonel.

Hawkins, whose parents, Mr. and Mrs. Foster A. Hawkins, live at 2058 Washington St., Lemon Grove, is a graduate of Mount Miguel High School. Before entering the Army he worked as a clerk with Sears-Roebuck in San Diego. He came to Korea in February 1965. He is scheduled to return to the U. S. and civilian life next month.

PAUL SUTHERLAND

Paul Sutherland, Republican candidate for the 77th District State Assembly, has announced Rev. Frank B. Gigliotti and A. E. "Bob' Howell as co-chairmen of his campaign in Lemon Grove-Spring Valley.

Reverend Gigliotti said, "I consider Paul Sutherland exceptionally well qualified to represent the voters of the Lemon Grove-Spring Valley area and the entire 77th Assembly District by virtue of his business and educational background and the fact that he is a man who is free of political obligations."

"Sutherland has demonstrated his awareness that the Democrat-controlled legislature is blocking this area's economic growth by excessive taxation the wage earner, the property owner and the businessman by the outdated inventory tax and property tax," Howell said.

"We agree with Sutherland that state spending is way out of proportion to population, as a result of Governor Brown's administration. With the proper administration, student and racial-problems can be pre-determined and action taken in advance before they reach riot stage," the chairman said.
